RE: Union Steel Products, Inc.  
Plant No. 1  
500 North Berrien Street  
Albion, Michigan

Dear Ms. Graszer:

A letter signed by Donald J. Bruce for Robert J. Bowden, dated May 11, 1992 was received in this office yesterday.

The current day Union Steel Products bought certain assets of the previous Union Steel Products, Inc. from the then owner. The facility at 500 North Berrien Street, Albion, Michigan was not included in the purchase agreement dated May 18, 1989.

The current day Union Steel Products, Inc. does not and has never used the facility on North Berrien Street nor has the current day Union Steel Products ever operated in this facility.

Sincerely,

Donald D. Carstens  
CEO
